FISHO FUNNY

A fisherman goes to the river to check an illegal fish trap that he owns. He looks around to make sure there are no Fishing Inspectors about and proceeds to pull the fish trap out to check it.

An Inspector steps out of the bushes, "Ahha!" he said and the fisherman spun around and yelled "Shiiiiit!".

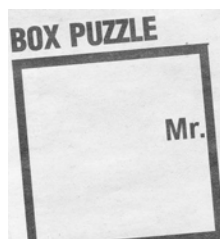

The Inspector, who wasn't expecting such a response said "Settle down, I'm the Fishing Inspector". "Thank God for that" said the fisherman, "I thought you were the bugger who owned this fish trap".

Mid-Year Night Out

Although only a small number, those that did attend had an enjoyable evening at the Liverpool Theatre Restaurant. With Mick O acting a chauffeur the group were able to partake of a few beverages and relax and be entertained by the cast.

Big thanks to Mick O and Keith.

Fishing fee increase from September 1

The cost of fishing licences will increase from September 1, Department of Primary Industries (DPI) Director Recreational and Indigenous Fisheries, Peter Turnell, has announced.

“The recreational fishing fee structure has not been revised since 2005, and this small increase is in line with the Consumer Price Index (CPI),” Mr Turnell said.

“Recreational fishing in NSW has been greatly improved through the programs that have been rolled out as a result of the contribution made by anglers through the recreational fishing fee. The recreational fishing fee Trusts have funded numerous additional projects and ongoing programs that have seen both the inland and saltwater recreational fishing experience enhanced. The project's increase in cost is in line with CPI, and it is now time to make the necessary adjustment to the fee so we can continue improving recreational fishing in NSW.”

The changes to the fees include:

- 3 day fee increase from \$6 to \$7;
 - 1 month from \$12 to \$14;
 - 1 year from \$30 to \$35; and the
- 3 year fee increase from \$75 to \$85.

This is the first increase to the recreational fishing fee in 8 years.

You can find out more about Service NSW on line at <http://www.service.nsw.gov.au> or by calling 13 77 88 at any time day or night seven days a week.”

THE PRESIDENT WRITES;

Sorry guys I could not be at the last few raffles and the last weigh in. My thanks goes to Mark and George for doing the raffles and to Tony and Braz for the weigh in. Although there was a few members away for the competition, 7 members weighed in with a very good catch from the South Coast boys.

From all reports the night out at Liverpool Theatre restaurant was OK, but I don't think we will be rushing back for a while. Anyway you have to give these things a go.

Greenwell Point accommodation is just about full. Get in early and let me know ASAP, otherwise you may miss out.
