From the Office.

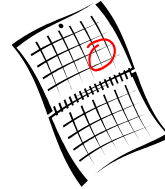

What a great night the Rock'n'Roll function was, and the feedback has been positive. Many thanks to those who put in the effort to organise the nite.

Again the cold and wind upset our July comp but look on the bright side, spring is around the corner.

Have a laugh!!!!

Rock'n'Roll Nite

What a great night. Well done to Vicki, Ron, Keith & bus driver Mick. There has been some great feedback from those who attended. Everyone loved the music and the dance floor was full all night.

Here are a few photos.

Keep your eye out on our web page for more photos

A group of 'kindergartners' were trying very hard to become accustomed to the first grade.

The biggest hurdle they faced was that the teacher insisted on NO baby talk!

You need to use 'Big People' words,' she was always reminding them.

She asked John what he had done over the weekend?

'I went to visit my Nana'.

No, you went to visit your GRANDMOTHER.

Use 'Big People' words!'

She then asked Mitchell what he had done 'I took a ride on a choo-choo'.

She said. 'No, you took a ride on a TRAIN.

You must remember to use 'Big People' words'.

She then asked little Alex what he had done?

'I read a book' he replied.

That's WONDERFUL!' the teacher said.

'What book did you read?'

(I love this...)

Alex thought real hard about it,

then puffed out his chest with great pride, and said, 'Winnie the SHIT'

BOX PUZZLE Answer: Mr Right

THE PRESIDENT WRITES;

The winter months have hit us... a small roll up at the meeting and only one member weighing in on competition weekend.

A great night was had by all at the Rock N Roll night. Thanks to the organisers, the hotel for their donation, and to Mick our resident bus driver.

If you plan to go to Greenwell Point cost is \$80 for members and \$90 for non members. Please let Ron know if you are going. If you want to stay on Sunday, I will advise your room allocation and you need to advise the park management and pay the extra.

Golf Tees off on Friday at 10am.

Hope you can make it to the raffles.

FISH OF THE MONTH (AUGUST) TUNA

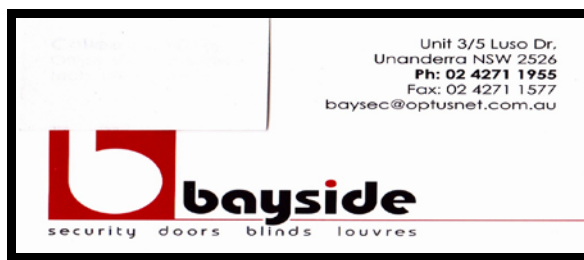

Tuna is a saltwater finfish that belongs to the tribe Thunnini, a sub-grouping of the Mackerel family – which together with tunas, also includes bonitos, mackerels & Spanish mackerels.

A little history on our records for Tuna.

- Albacore – 8.1kg recorded April 1994
- Blue Fin – 7.8kg recorded October 1991
- Mackeral – 6.880kg recorded June 1999
- Striped – 6.8kg recorded November 1990
- Yellow Fin – 46.0kg recorded April 1997

As can be seen, it has been a number of years since a record tuna has been caught, maybe this is the year!
