We hope to put this to good use over the forward period.

Big thanks to all who assisted us to sell tickets.

Fisho's Funny

Tarzan, lost his grip swinging through the jungle and had major surgery. The local witch doctor replaced his eye with that of an eagle, his arm with that of an ape, his OLD FELLA with an elephant's trunk. After months of rehab, on visiting his doctor he reported his condition back that his new eye had given him greater vision, his arm was stronger than ever and improved his grip and his OLD FELLA Well, Well !!! He said that Jane never loved him more and that his sex life was fine.

So no side effects the Witch Doctor quipped.

Not so said Tarzan, every time I try to bend over the OLD FELLA tries to grab a handful of grass and shove it where the sun doesn't shine.

Club Shirts

The new club shirts are still available. They can be collected & paid from the Club House on Monday, Wednesday, Friday or Saturdays. Cost is \$35.00 each. We don't want to make these trophies.

The Gossip, the facts and the bullsh1#

- Which club member came up short when having a go recently for the big cask at Joker Poker. Three big bottles of VB was a poor consolation.
- Joker Poker at the pub has now reached \$10,000 with only 7 cards left to turn.
- You had to feel for a willing member of the club who did a great job helping with tickets sales just prior to the Anzac day prize draw. The draw was done and he duly won. But as it was not a good look for the club the gentlemen kindly refuted to prizes and we conducted a REDRAW

Just to show our raffles are legit.

We called upon the local law enforcement to draw our winner for the Anzac Day raffle

Again well done to Mr. Brian Hiko of Moorebank the winner of the Tools Raffle held Anzac day.

Many thanks Aden and the Moorebank Hotel for helping us with fund raising.

Thursday and Saturday meat raffles.
Remember to try and get to them occasionally to help out.

The Prez writes:

With the midyear function planned, we need to begin to work out what we should do for the 30th year anniversary. Please give it some thought for a discussion at next Tuesday's meeting.

Given our abnormal expense of the new honour board \$600 in this year's budget, we need to consider how to do something on a modest budget. Some suggestion has come to hand nominating an event held in the hotel auditorium with a DJ or entertainer and having a bit of a photo gallery recap over yester years?

It's up to you guys to get a consensus and get to the meeting to debate. Similarly we need to think of booking our entertainment type for the EOY function at Cabramatta Leagues.

Please make an effort to bring yourself and any mates to our presentation also next Tuesday.

See ya there.
